Notations

- (): Credits for the course(s) given on readmission/transfer. Upon readmission, all credits will count towards attempted credit hours but not included in computation of CGPA. Transfer credits will not count towards attempted credits.
- # : Under Repeat and Replace policy, this represents the lower grade for course(s) repeated. Credits and grades not included in computation of CGPA or towards completed credits. However, these credits count towards total attempted.
- R* : Best grade for repeated course(s) which counts towards graduation requirements (i.e. CGPA and completed credits) and total attempted credits.
- ‡ : Under All Grades Counts Policy, this represents the original grade of repeated course(s). Such credits and grades are included in the computation of CGPA. These credits are not included in total completed credits but are counted towards total attempted credits.

* For courses repeated between Academic Year 2014-15 to 2015-16, 'R' will denote the latest attempt instead of best grade.

TO TEST FOR AUTHENTICITY: The face of this transcript is printed on blue safety paper. When photocopied, a latent security statement containing the words COPY COPY COPY appear over the face of the entire document. When this paper is touched by liquid bleach, an authentic document will stain. A black and white or color copy of this document is not an original but may be accepted as an official document when stamped and signed 'Certified True Copy' by LUMS.

Artificial Watermark: A white ink applied during the printing process that is visible when the paper is held up to a light at an angle. On this particular paper, you will see the words "Original Document".

Coin Reactive Ink: The box to the right contains a white ink that when rubbed with the edge of a coin will verify the authenticity of the document by the presence of black smudges.

Thermochromic Ink: The box to the right contains a heat sensitive ink; when rubbed or breathed upon, the colour will fade and reappear.
